QUESTION WITHOUT NOTICE
(Of which some notice has been given)

Tuesday, 5 May 2015

Hon Robin Chappie to the Minister for Aboriginal Affairs.

I refer to the answer to Question Without Notice no 396 asked by the Hon Robin Chappie MLC of the Minister for Aboriginal Affairs in the Legislative Council on Tuesday, 21 April 2015 which states there have been 1,307 Aboriginal heritage places assessed as not meeting section 5 of the Aboriginal Heritage Act since 1 November, 2012 and ask:

1. How many of those 1,307 Aboriginal heritage places were found to be "not a site" based solely on not meeting section 5(b) criteria of the Aboriginal Heritage Act 1972?
2. Regarding the answer to (1), will all of those sites be resubmitted to the ACMC for reassessment?
3. If no to (2), why not?

I thank the Hon. Member for some notice of this question.

On Wednesday, 22nd April 2015 Hon Robin Chappie asked a question 396. Due to a tabling error I incorrectly indicated in part I of the response that 1,307 Aboriginal heritage places were assessed as not meeting Section 5 of the Aboriginal Heritage Act. This figure has been revised to 1,262.

1. Sixteen (16) of the corrected figure of 1,262 were assessed as not meeting section 5 (b) of the *Aboriginal Heritage Act 1972*.
2. Yes.
3. Not applicable
